

## § 204.75

## 17 CFR Ch. II (4–1–11 Edition)

(2) A debtor requesting a review under this section shall submit the basis for claiming that the current amount of garnishment results in a financial hardship to the debtor, along with supporting documentation.

(3) If a financial hardship is found, the Commission will downwardly adjust, by an amount and for a period of time agreeable to the Commission, the amount garnished to reflect the debtor's financial condition. The Commission will notify the employer of any adjustments to the amounts to be withheld.

(h) *Ending garnishment.* (2) Once the Commission has fully recovered the amounts owed by the debtor, including interest, penalties, and administrative costs consistent with the Federal Claims Collection Standards (31 CFR 901.9), the Commission will send the debtor's employer notification to discontinue wage withholding.

(2) At least annually, the Commission will review its debtors' accounts to ensure that garnishment has been terminated for accounts that have been paid in full.

(i) *Actions prohibited by the employer.* The Debt Collection Act prohibits an employer from discharging, refusing to employ, or taking disciplinary action against the debtor due to the issuance of a withholding order under this section (31 U.S.C. 3720D(e)).

(j) *Refunds.* (1) If a hearing official determines that a debt is not legally due and owing to the United States, the Commission shall promptly refund any amount collected by means of administrative wage garnishment.

(2) Unless required by Federal law or contract, refunds under this section shall not bear interest.

(k) *Right of action.* The Commission may sue any employer for any amount that the employer fails to withhold from wages owed and payable to an employee in accordance with this section. However, a suit will not be filed before the termination of the collection action involving a particular debtor, unless earlier filing is necessary to avoid expiration of any applicable statute of limitations. For purposes of this section, "termination of the collection action" occurs when the agency has terminated collection action in accord-

ance with the Federal Claims Collection Standards (31 CFR 903.1–903.5) or other applicable standards. In any event, termination of the collection action will have been deemed to occur if the Commission has not received any payments to satisfy the debt from the particular debtor whose wages were subject to garnishment, in whole or in part, for a period of one (1) year.
